**CONTENT**

**GML USA LLC** is a logistics industry stalwart with over two decades of experience in providing comprehensive solutions. Our dedicated team of more than 550 experienced professionals is the foundation of our success. We take pride in providing seamless and dependable logistics solutions by offering a wide range of services such as international freight forwarding, air and sea freight, customs brokerage, insurance, transportation management, trucking services and specialized warehouses.

At **GML**, we prioritize the development of long-term business relationships based on trust and dependability. Our ethos revolves around providing cost-effective and efficient services, ensuring the satisfaction of our clients while optimising their logistical operations. We are motivated by a desire to consistently exceed expectations and provide tailored solutions that propel businesses to success in the global market.

About Gml  
USA LLC

# Ocean Freight Solutions

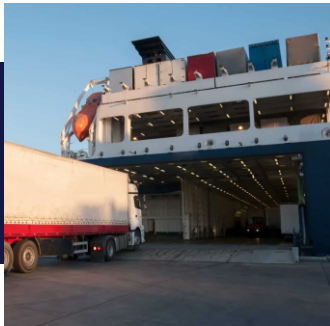

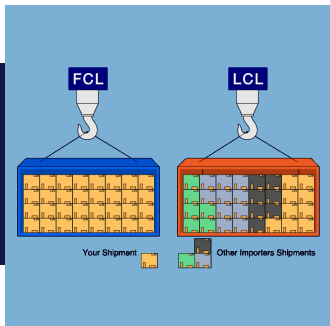

---

GML USA LLC is a leading provider of sea freight logistics solutions, seamlessly connecting the United States to the rest of the world. Our services ensure that goods are transported efficiently and reliably across oceans. We customise our sea freight services to each client's

specific needs, offering flexibility in cargo size, type, and delivery requirements. Our team employs advanced logistics strategies to optimise shipping routes, reduce transit times, and improve overall efficiency in sea freight operations. With a strong emphasis on safety and security, GML USA LLC ensures that your goods are handled with the utmost care, in accordance with industry standards and regulations. Real-time tracking and monitoring capabilities provide clients with visibility into the status and location of their shipments throughout the sea freight journey.

## Our services include:

### LCL & FCL:

Whether you need Less Than Container Load (LCL) or Full Container Load (FCL) shipping services, we optimize shipping options to fit your cargo size & budget.

### RORO (Roll-On/Roll-Off):

Our RORO services ensure safe delivery to global destinations for vehicles, heavy machinery, and oversized cargo.

### Specialised Cargo Handling:

We specialise in managing unique & specialised cargo requirements, providing tailored solutions to transport delicate, oversized, or unusual goods with precision & care.

# Air Freight Solutions

GML USA LLC provides quick and dependable air freight solutions, ensuring that your shipments arrive at their destinations as quickly and reliably as possible. We provide comprehensive air cargo transportation coverage by connecting the USA to destinations worldwide through our extensive network. Understand the unique requirements of each shipment, our team crafts customized air freight solutions, accommodating various cargo types, sizes, and delivery specifications. Our strong partnerships with leading airlines allow us to offer competitive rates and optimal routing for air cargo.

# Customs Clearance

---

GML USA LLC specializes in full-service customs clearance, with experience managing the complexities of origin and destination customs procedures. We meticulously handle the Automated Manifest System (AMS) and Importer Security Filing (ISF) to ensure smooth and compliant import and export processes. We manage all aspects of customs clearance from the point of origin to the end of destination, ensuring regulatory compliance and facilitating the smooth flow of goods.

# Warehousing & Distribution

GML USA LLC provides exceptional warehousing and distribution services that are tailored to meet a wide range of logistical requirements. Our services include the following:

01

## **Modern Warehousing:**

We offer secure and specialised warehousing facilities outfitted with modern infrastructure and advanced technology to meet a variety of storage needs.

02

## **Inventory Management:**

Our team ensures efficient inventory tracking, management, and optimisation, allowing for streamlined operations and timely order fulfilment.

03

## **Value-added Services:**

In addition to storage and distribution, we provide value-added services such as labelling, packaging, assembly, and quality control to improve the overall supply chain process.

04

## **Scalable Solutions:**

GML USA INC. adapts to changing business demands by offering scalable warehousing and distribution solutions that scale with your needs.

# Transportation

---

GML USA LLC specialises in comprehensive transportation solutions, including Full Truckload (FTL), Less Than Truckload (LTL), and Cross Border LTL services. Our transport services include:

## **FTL (Full Truckload):**

We offer efficient FTL services for shipments requiring the exclusive use of a full truck, ensuring direct and on-time delivery of goods to their destination

## **LTL (Less Than Truckload):**

1. For smaller shipments, our LTL services provide a cost-effective solution by consolidating multiple shipments in a single truck, optimising resources, and lowering transportation costs.

## **Cross Border LTL:**

GML USA LLC specializes in Cross Border LTL services, facilitating the seamless movement of goods across international borders Mexico and Canada with precision and compliance.

A red crane truck is lifting a blue shipping container from a flatbed trailer. The scene is set against a sunset sky with orange and yellow hues. The crane's arm is extended, and the container is suspended in the air. The truck is positioned on the right side of the frame, and the trailer is on the left.

# Project Cargo

---

GML USA LLC is a leading provider of specialised Project Cargo logistics services. Our expertise is in managing complex, oversized, and heavy cargo shipments, and we provide the following services:

### **Customised Solutions:**

Tailored plans designed to meet the specific needs of each project, taking into account size, weight, and destination complexities.

### **Experienced Handling:**

Expertise in handling large and unusual cargo, including the use of specialised equipment and techniques to ensure safe and efficient transportation.

### **Logistical Mastery:**

Comprehensive logistical planning that includes route optimisation, permits, and precise coordination to ensure seamless execution from start to finish.

### **Risk Mitigation:**

We prioritise cargo safety and implement stringent risk-mitigation measures to ensure the safe and timely delivery of project cargo.

**GML USA LLC is a trusted partner for companies looking for dependable, secure, and specialised solutions to manage the complexities of project cargo logistics from start to finish.**

# Transloading

---

GML USA LLC provides expert Transloading services, allowing for the smooth transfer of goods between modes of transportation. We offer the following transloading services:

### **Efficient Handling :**

Skilled transfer of cargo from one mode of transportation to another, with the goal of increasing efficiency while decreasing handling time.

### **Proficient Management :**

Proficiency in managing transfers between trucks, trains, ships, and warehouses, ensuring smooth transitions for a variety of cargo types.

### **Custom Solutions :**

Tailored solutions for specific cargo requirements, accommodating various sizes, types, and handling requirements during the transfer process.

### **Logistical Support :**

GML USA LLC provides comprehensive logistical support from planning to execution, overseeing the entire Transloading operation to ensure a seamless transfer of goods.

Our transloading services are designed to optimise supply chain efficiency by streamlining the transportation process by providing a dependable and efficient solution for transferring cargo between modes of transport.

## HHG Relocation

---

GML USA LLC specialises in Household Goods (HHG) Relocation Services, providing comprehensive solutions for individuals and families moving domestically or internationally. Our HHG Relocation services include the following:

### **Personalised Moving Plans:**

Tailored relocation plans designed to meet each client's specific needs, ensuring a smooth and personalised moving experience.

### **Professional Packing & Handling:**

Expert packing and handling of household items to ensure safe and secure transportation to the new location.

### **Domestic & International Moves:**

Whether a local move or an international relocation, GML USA INC. ensures smooth transitions to new homes over long distances.

### **Reliable Transportation:**

We use dependable transportation methods to ensure that household goods arrive at their destinations on time.

### **Customs Clearance Assistance:**

We help you navigate customs regulations for international moves, ensuring that your household goods enter new countries without any hassle.

With a focus on dependability, care, and personalised service, GML USA LLC is a trusted partner in facilitating stress-free and efficient household goods relocations for individuals and families.

# Insurance

---

GML USA LLC provides comprehensive insurance services for shipments and logistics operations, providing peace of mind and financial security.

**Among our insurance services are the following:**

## Liability Coverage:

GML USA LLC provides liability coverage to protect against unforeseen events, providing financial protection for potential legal and financial liabilities.

## Cargo Insurance:

14

Our cargo insurance protects your goods from loss or damage while in transit, ensuring that they are covered from origin to destination.

## Customised Insurance Plans:

We tailor insurance plans to meet specific needs, taking into account the nature of the cargo, transportation methods, and individual client requirements.

## Claims Management:

In the unfortunate event of loss or damage, our dedicated team assists with efficient claims management, ensuring a smooth compensation process.

GML USA LLC's insurance services provide clients with a comprehensive risk management approach, ensuring the safety of valuable cargo and mitigating potential financial losses throughout the logistics journey.
